

Feature your Company today on our TV Show!

www.YourInteractiveMediaWorks.com

We want to invite **YOU** to be a part of our exciting new YIMW TV Show project.

Our company created a half hour TV series, **"Your Interactive Media Works TV Show"** to promote businesses and organizations throughout the central and western regions of Pennsylvania and portions of Maryland and West Virginia.

In our TV show we focus on commercial and industrial businesses and organizations, our Allegheny mountain lifestyle, scenic, recreational and tourism opportunities, special events, outdoor activities, our area's educational institutions, in addition to medical, dental and other healthcare facilities.

We have a great TV Show format to showcase your company or organization. We'll increase public awareness and the image of your company. You or your Company can be featured in the entire half hour episode or a single 7 minute segment of our TV program.

Your episode will air six times. Our program is on the air Thursday mornings at 7 a.m. on Fox 8 and Thursday evenings at 8 p.m. on Johnstown and Altoona Cable Channel 9.

Your finished program can also be used by you and your staff on your web site, at trade shows, for recruiting, for presentations to service clubs and other organizations, and for client meetings.
